WEEK 1 - July 8 -12 *

\$225/week (\$45/day) [includes HST]

WEEK 2 - July 22 – 26

\$200/week (\$40/day) for siblings *

WEEK 3 - August 12 – 16

3 days or less (\$50/day) [includes HST]

***Week 1 option:** In addition to our regular activities we are offering to those who wish to participate, an introduction to horses and riding option for this week of camp. The cost is \$35 per day to a maximum of 3 days of the week. Participants will spend a portion of their day helping to get the ponies ready to ride and go for a trail ride on their pony. This will be offered by a professional riding school and all equipment will be provided except for proper footwear and clothing. Introduction to horses is optional and if not interested you can still sign up for our regular camp.
